(4 nights/5 days)
Independent travel

Private & shared combination
options for flexibility.

KEY HIGHLIGHTS

All the pomp & ceremony associated with the Royal Family inspired by the Jubilee celebrations condensed into a city break complete with Royal castles & fortresses, a very British afternoon tea, the stunning UNESCO world heritage sites of Greenwich, Bath & Stonehenge & a uniquely London "Black Cab" Royal tour.

ITINERARY

Day One – you've arrived

A warm greeting from your driver on arrival at Heathrow, before your private transfer to your hotel.

A pre-loaded visitor oystercard is waiting for you at reception with our compliments. Take time to get your local bearings and slip into UK time before your adventure begins.

Stroll through Trafalgar Square, along the Mall to Buckingham Palace and the Royal Mews. Housing historic Royal Carriages from the ages and one of the finest working stables in the world. This is also home to the Diamond Jubilee Coach used in the last Jubilee celebrations.

Angela Shanley Associates Ltd – Royal Jubilee London (4 nights/5 days) – Independent Travel (4 star)

Opposite the palace is the Reubens Hotel, a perfect spot to watch the comings and goings of the Queen's stables. Here you'll enjoy a traditional afternoon tea of sandwiches, cakes & tea at leisure.

Day Two – your "Royal" carriage awaits! (8 hrs)

Travel in style – the London way, in a traditional Black Cab with a qualified guide cabbie. New electric vehicles, comfortable seats, large windows and intercom so you can watch & listen in style. Let your personal guide show you the capital in a way that only a London Cab driver can. Your Royal themed day also includes entrance to

Westminster Abbey, the Queen's coronation location & the Tower of London, home of the Crown Jewels.

Day Three – castles, ancient stones & hot springs. (11.5 hrs)

Joining a shared excursion by superior comfort coach with wifi & an expert guide, you'll spend the day at some of England's most prized treasures. Visit Windsor Castle - the official residence of The Queen and home of the British monarchy for more than 900 years. Explore the UNESCO Georgian city of Bath and its ancient Roman Baths & uncover the mystery behind Stonehenge - the world's No 1 Neolithic site. With personal headsets you'll not miss a thing whilst enjoying maximum flexibility.

Day Four – A Royal borough & riverside pubs (8 hrs)

Ease up on your schedule with a personalised day with an expert private guide exploring the Royal borough of Greenwich by foot

(boat actually!) Take the high-speed river clipper along the river Thames to Greenwich, past some of London's most iconic sites. Let your guide introduce you to the Cutty Sark, Royal Observatory & the Meridian Line along with the stunning recently refurbished Painted Hall at the Old Royal Naval College. Greenwich is a jewel in London's crown. Soak up the local flavour and make sure you save some time for a pub lunch at one of the many riverside pubs!

Day Five – Farewell & the obligatory "Royal" souvenir

It's time to leave, but not before one final hearty English breakfast at the hotel to fuel your search of a memento of your Royal visit. We suggest Fortnum & Mason on Piccadilly. Not only do they have a royal warrant by appointment to HM The Queen, but also HRH The Prince of Wales. Here tea is a specialty. Choose from collections including "Royal Blend" and "Highgrove Organic Prince of Wales Blend" in decorative tea caddies. Your private transfer will be ready when you are to return you to Heathrow for your return flight.
